

New! MBL Hot Food Bags

- Attractive design for presenting and transporting hot food with a self-standing bottom gusset and a clear window.
- Strong leak-proof side seals and steam vent holes.
- Made from high quality laminate film which is microwavable for re-heating.
- Die-cut handle and resealable closure.
- Two sizes suitable for most foods, 240x290mm and 270x325mm
