## Active Rural Meat Saw

*Takes the Hard Work out of Cutting Up*  
**Takes the hard work out of preparing meat for the freezer; saves time and is simple to operate. It is designed to give the home butcher a professional finish.**

- ¾ h.p. enclosed motor, 1440 revs.
- Sealed ball bearings.
- 250mm (10") special alloy crowned pulleys.
- Sturdy frame.
- Two blade guides.
- Simple blade adjustment.
- Throat 320mm x 250mm (12½" x 10").
- Polyurethane meat tray.
- Lift-off fibreglass door.
- Meat cutting guide.

See how easy cleaning can be. Just release the two catches, lift off fibreglass door and wipe with a damp cloth. The two-pot enamel finish is extremely hard and is chip and scratch resistant.

**The Rural Meat Saw** has a Two Year Guarantee on all parts except blade and guides, from the date of purchase, provided it has been carefully maintained and used under normal conditions. The ¾ h.p. motor is guaranteed by the Manufacturer for a period of twelve months.
